CENTER FOR early childhood

The Music Settlement

OHIO CITY · UNIVERSITY CIRCLE

Focused on children from 3-weeks through 6 years-of-age, our Center for Early Childhood provides a warm and nurturing environment that encourages natural curiosity, collaboration, exploration, and discovery.

We provide diverse, multi-cultural experiences through discussion, science, music, stories, cooking, art, and many other sensory experiences. Our courses foster brain and social development, inspire and encourage creative expression, and strengthen parent-child bonds as parents are encouraged to engage in classroom communities.
