GRADES 6 - 12

Cleveland Play House Theatre Immersion Camp

Designed for students in grades 6-12, this immersive experience invites young artists of all skill levels to explore theatre in-depth. Rather than grouping students by age, participants are placed in learning tracks, based on experience and readiness, ensuring beginners feel supported and experienced students are challenged.

Whether a student is brand new to theatre or already performing regularly, they will find a place here. Each day offers focused training in acting, voice, musical theatre, movement, technical theatre, stage management, and design. Professional teaching artists guide students as they build skills, collaborate on creative projects, and grow as confident ensemble members.

All experience levels welcome! Students leave with sharpened technique, a deeper understanding of theatre-making, and the confidence to take creative risks—no matter where they start.

TIMES: Monday - Friday • 9:00am - 4:00pm
